

Step 1

Visit our YouTube channel and select the *Create Your Own walkSTEM(R) Toolkit playlist*. You can find this playlist under the Youtube channel section, Educator Resources.

Step 2

Select a minimum of 3 walkSTEM® stops

Step 3

Design each stop: use walkSTEM® design framework A
– and –
Design the tour: use walkSTEM® design framework B
Use design worksheets provided at talkstem.org/create-your-own-walkstem

Step 4

Submit your walkSTEM tour to us if you'd like to join our growing community of STEM explorers. We hope you will!
Instructions are provided at talkstem.org/create-your-own-walkstem

We hope you will subscribe to walkSTEM® Academy and join our community of 21st century explorers and life long learners!
